WEATHER

April through to October offers ideal conditions for any event at Villa Samadhana, although please note that onshore trade winds peak in July. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT SPACE

Lavish grounds and extensive facilities make Villa Samadhana the ideal tropical setting for weddings and special celebrations. Take your pick from an open air event under the stars amongst the perfectly manicured lawns framed by mature trees and exotic flowers or a more intimate lantern-lit affair under the thatched entertainment pavilion overlooking the swimming pool.

EVENT FACILITIES

KITCHEN AND BAR

There is a fully equipped wet kitchen next to the villa's main kitchen. Caterers can use its facilities however no stoves are available. There is a covered staff entrance in case of rain. There is also plenty of space in the main kitchen that can be used to place dishes.

The pool bar may be used and the space next to it may be utilised by caterers.

GUEST WASHROOMS

There are two guest washrooms available for use during events. The EO is responsible for ensuring the cleanliness of these washrooms during events.

PARKING

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up only). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for a one-hour period for loading but should be off site at least one hour prior to the event. Guests should be encouraged to use drivers or taxis for events at Villa Samadhana.

REGULATIONS AND RESTRICTIONS

The coconut garden by the master suite is the most suitable location for a ceremony. In case of rain, drinks can be served in the living room, and although the sofas in here may be moved, the main table should remain in place.

The pool area has a beautiful and large balé and the furniture in here can be moved to maximise space in case of wet weather.

Staging is permitted over the pool, however, a site plan must be submitted a minimum of 45 days prior for approval. Floating bamboo and foam structures for candles and flowers are allowed, however, EOs should ensure their removal by 1am or as soon as guests enter the pool in order to avoid any damage or injury.

Fireworks and/or the release of Thai wishing lanterns are strictly forbidden.
